MEMORANDUM FOR: Deputy Director of Central Intelligence
VIA: Deputy Director for Administration
FROM: Harry E. Fitzwater
Director of Personnel
SUBJECT: Review of Consultant Requirements for the Period
1 October 1979 through 30 September 1980

1. Action Requested: That you approve:

a. The continuation of 83 Agency consultants for the period 1 October 1979 through 30 September 1980, and

b. The termination of the contracts of 9 consultants effective 30 September 1979.

2. Background:

a. In accordance with [] we are attaching Forms 503, Justification for Consultant, containing recommendations for the period 1 October 1979 through 30 September 1980. These documents and summaries are labeled as follows:

(1) Clear Tabs

(a) A statistical summary, by office, of the 92 consultants currently on duty.

(b) A roster of the 83 consultants recommended for continuation.

(c) A roster of the 9 consultants recommended for termination.

(2) Yellow Tabs

Forms 503, by office, for the 83 consultants recommended for continuation.

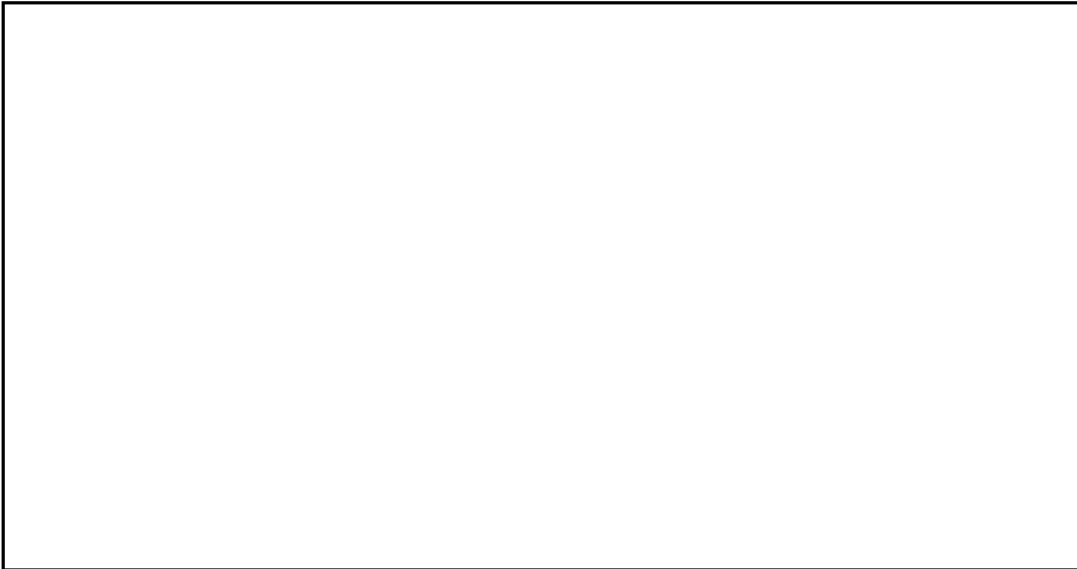

(3) Green Tabs

Forms 503, by office, for the 9 consultants recommended for termination.

b. The rate at which each consultant will be paid effective 1 October 1979 is shown in Box No. 2 of the Form 503. Sixty-nine of the Agency consultants will be compensated when actually utilized at no more than a daily rate equal to the top step of a GS-15, which is currently \$182.72. Fourteen serve without compensation.

c. Of the 83 consultants recommended for continuation, the following 16 are military or civilian annuitants:

25X1

3. Staff Position:

a. Each office has submitted its justification for continuation or termination of those consultants under its jurisdiction. The use of consultants approved for continuation is contingent on an updated conflict-of-interest clearance as subsequently determined by the General Counsel.

b. All have appropriate security approval.

SECRET

4. Recommendation: It is recommended that you approve the continuation or termination of these consultants as requested on the attached Forms 503.
